

PRODUCT DESCRIPTION

LENOL 15 TP 30 and 15 TP 40 are high-quality detergent alkaline marine trunk piston engine oils.

APPLICATIONS

LENOL 15 TP 30 and 15 TP 40 are high-quality alkaline lubricants recommended for highly rated marine trunk piston engines running on ISO 8217 type DMA/DMB/DMC fuels with a requirement of API CF diesel detergency.

They are also suitable for plain bearings of turbochargers, for most reduction gears, shaft bearings, stern tube and seals.

ADVANTAGES

- Excellent thermal and oxidation stability and detergency
 - Excellent deposit control
 - Leads to clean engine parts and spaces, meets API-CF requirements
 - Longer oil change intervals
- High level of API CF detergency performance
- Extended oil life due to efficient water separating properties and BN retention
- Rust and corrosion protection
- Excellent wear protection
- Formulations approved by major engine manufacturers

TECHNICAL DATA

Grade Name	Pour point °C	Flash point (COC) °C, min	Viscosity at 100°C cSt	SAE	Base number mgKOH/g
LENOL 15 TP 30	-6	230	11.5	30	15
LENOL 15 TP 40	-6	230	14.5	40	15

HANDLING AND PACKAGING

Compatibility and miscibility with comparable products from other suppliers have been successfully tested by an independent institute, but to benefit from full product performance, the mixing of lubricants should be avoided.

Trunk piston engine oils should be continuously filtered in accordance with the equipment manufacturers' instructions. Their service life can be prolonged if the oil is maintained with a centrifugal purifier to remove water and insoluble components. Nevertheless, the oil change intervals of the equipment manufacturer are mandatory.

HEALTH AND SAFETY

The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. The product is not classified as dangerous according to the Regulation 1272/2008 or the Directives D67/548/EEC and 1999/45/EC. When used as intended, this product does not pose significant health risks.
