

PRODUCT DESCRIPTION

LENOL 7 GEO 40 is a high-performance low-ash gas engine oil with extended drain intervals. It is designed for marine and stationary trunk piston engines running on natural and associated petroleum gas.

APPLICATIONS

LENOL 7 GEO 40 is recommended for naturally aspirated and turbocharged gas engines in marine and stationary applications. The formulation is based on high-quality base stocks and additive technology of superior performance. **LENOL 7 GEO 40** is suitable for stoichiometric and lean-burn engines sensitive to valve face and seat wear.

ADVANTAGES

- Excellent wear protection and deposit control
- Excellent thermal and oxidation stability and nitration resistance
- Longer oil life
- Extended detergent and dispersant properties
- Formulation approved by major engine manufacturers

TECHNICAL DATA

Properties	Test Method	Unit	LENOL 7 GEO 40
Density at 15°C	ASTM D4052	kg/m ³	890
Flash Point (COC), min.	ASTM D92	°C	230
Kinematic viscosity @ 100°C	ASTM D445	cSt	13.5
Pour point, max.	GOST 20287 B	°C	-12
SAE	-	-	40
Base number	ASTM D2896	mgKOH/g	7
Sulphated Ash	ASTM D874	%wt	0.5

HANDLING AND PACKAGING

Compatibility and miscibility with comparable products from other suppliers have been successfully tested by an independent institute, but to benefit from full product performance, the mixing of lubricants should be avoided.

HEALTH AND SAFETY

The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. The product is not classified as dangerous according to the Regulation 1272/2008 or the Directives D67/548/EEC and 1999/45/EC. When used as intended, this product does not pose significant health risks.

Last Updated: March 2024

This data sheet and the information given are considered to be accurate to the best of our knowledge. The physical and chemical characteristics are typical values and compliant to specification. Variations in these characteristics may occur. No warranty expressed or implied, is given as to the accuracy or completeness of the information or suitability of the products. LENOL shall not be responsible for any damage or injury resulting from abnormal use of the product. The user will be always responsible to evaluate and use products safely and to comply with all applicable laws and regulations.
