

LENOL SHPD Ultra 15W-40

PRODUCT DESCRIPTION

LENOL SHPD Ultra 15W-40 is a mineral-based multigrade engine oil designed for the latest generation heavy duty four-stroke turbocharged engines for prolonged time between overhauls.

APPLICATIONS

LENOL SHPD Ultra 15W-40 provides advanced protection of engines against wear, deposit formation and bore polishing under various load conditions. LENOL SHPD Ultra 15W-40 ensures optimum lubrication and easy starting at low temperatures, as well as best performance at high temperatures. It offers excellent performance on different fuels and has been tested with ultra-low sulphur fuels without increased oil consumption.

ADVANTAGES

- Maximum engine protection against wear, corrosion and the formation of high temperature deposits
- Extended drain intervals reducing maintenance and repair costs
- Improves engine performance, saves fuel and reduces noise
- Formulations approved by major engine manufacturers

HANDLING AND PACKAGING

Compatibility and miscibility with comparable products from other suppliers have been successfully tested by an independent institute, but to benefit from full product performance, the mixing of lubricants should be avoided.

HEALTH AND SAFETY

The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. The product is not classified as dangerous according to the Regulation 1272/2008 or the Directives D67/548/EEC and 1999/45/EC. When used as intended, this product does not pose significant health risks.
